Great Attractions. We commenced last week, as the reader well The story is deepening this week, into alls thing business as may come before the Association. interest. No one roading the first, will omit readlog the remaining chapters.

This tale will occupy the paper for sever weeks, and will be followed by an O iginal Tale from the pen of our regular contributor, Mrs. BOSTWICK.

We print a few extra copies containing the commencement of Arthur's Tale, that we may supply back numbers to new subscribers. First come. first served. Now is the time to subscribe.

We design that the Ohio Star as a family news. paper, or fire side companion, shall not be surpassed.

Great Offers. As an inducement to the et zens of Portage County, to subscribe for the Ohio Star, we make the following offer:

We will furnish either Goder's or Graham's. each three dollar Magazines, and the Ohio Star. for one year, for three dollars and fifty cents in ad-

Clubs.

Any person who will send us the names of twelve responsible subscribers, resid-n's of the County of Portage, payment to be made within the year, shall receive as a premium one copy of Stephen's Book of the Farm, a work of nearly 500 pages, containing 450 illustrations, the Publishers subscription price for which is \$4 per copy.

The subscribers need not all be at one Post Office, but must all be within the County of Portage, suless payment be made in advance.

Any person sending us the names of six responsible subscribers within the County of Per-

A new Carrier will serve the Vilinge subscribers of the Star, after the first of January. Any mistakes or omission, therefore, should be promptly notified at the office, that they may be

Columbus Convention.

The Free Democratic Convention, notified to be held at Colombus, on the 12ta of January next, salivation, less of sight, veakness of limbs, dec. should be fully ruended. It is to be hoped Portege County will be well represented. The num ber of delegates from any township, need not be limited. Let all go that can. By notice in to day's paper, it will be seen that the Free Democracy of Ravenca are miving in the mitter. Will not the friends in other townships ac', also, with promptitude and efficiency?

Han. E. NEWYON, will necept our thanks for copies of the Boston L berator, and Washing on Union-incendiary documents, by the way, dan gerous to be sent over the country under the frank of members of Congress.

The attention of our renders is called to the edvertisement of Henry A. Swift, Esq . agent for the Protection Insurance Company. The true theory and practice of insurance is, in few words, very correctly a ated; and we recommend our readers to avail themselves of the advantage: offered by this old and well tried last tailon.

The Scarlet Letter .-- A Romance. the author of this book it is a sufficient recommendation to say that NATHANIEL HAWTHORNE WIVE it, and that it is by far his greatest work. The In-We would especially commend this chapter to expectants under the new administration, and the

In the unoccupied garret of the Cu-tom House Building were several barrels of old documents and manuscripts. Among these was found by the author, a pacsage containing to mag of searlet cloth-for time and west and moths had reduced it to little other than a re;" which upon close examination proved to be a letter A, wrought with wonderful skill of neatle-work, and with traces of gold embridery. The package contained the history of this letter, and it is set forth in this story. It was worn by Hester Pryane upon the breast in Starte, all of Whetham. accordance with the sentence of the mag strates of Boston, as a punishment for the charge of Adultery. She comes from the Prisor with this mark of breast, and is made to march through the throug of curious men, and iron-visuged old dames to the platform of the Pillory, upon which she is to stand for the day, and where she is called upon by the Governor, and the Clergymen of Boston, to reveal her partner in guitt, the father of the child which she holds in her arms. But she firmly resists every exhortation and for years wears that burning budge of shame, " continually and in a thousand ways feeling the innumerable throbs of anguish that had been so canningly contrived for her by the undying, the ever-active sentence of the Puritan tribund." She keeps the secret faithfully in her own breast, but in the progress of the story the startling touth is mule known. It is a tale illustrative of Puritan times, and the absorbing interest of the narrative is kept up to the close. For sale

is the book for the season, because it is the one for It is full of instruction for all such, and of amuse ment for any body. Arthur is the only wrater compliments, moonstiine and money. Everybody her for the first year! For sale at HALL'S BOOK

The Home Journal For 1853. All who wish to secure, for the coming year, a piquant and charming fireside companion, that will Pelis, green, each 2 met discource to them of what preses in the great Flux world-a faithful and industrious chronicler; all who would have their tasts olevated and refined their minds supplied with useful aliment, and their spirits cheered by eacy hum a and sparkling vivue iv; all who would invest one trilling sum of two dollars in such a way as to bring in an invuluable amount of benefit and pleasure, will be founemong the patrons of the Hamed wend. It gives us a view of everything worth knowing, and condenses volumes of information into convenient space.

The new volume commences under the most bril in a anspiges, and will exceed all its predecessors. A new supply of Pencillings from the pen of once-107 Fulton street. New York-as there will not be much chance of back numbers after

January -- Morristown Jerseyman.

No ice. There will be a special meeting of the Free Democratic Association of Rasenna on Thursday the 23d inst., at the office of H. A. Swift, commencing at 61 o'clock P. M., for the purpose of choosing delegates to attend the Free Demknows, the great Tale of T. S. Artius. "In-ti- certife State Convention, to be held at Columbus on the bordination, or the Shoemaker's Daughter." - 12th day of January, 1853; and also to transact such other

THE CONTRACT

INSURANCE

OFFERS an expedient, by means of which, prudent men escape losses. They transfer to others the risks which inevitably cause them. For a small consideration, these cishs, which might in an unlucky event, rain individuals, are safely assumed by Companies well organized and judiciously managed. Such an institu-

Protection Insurance Co.

HARTFORD, CONN. This Company bases its operations upon such a per-fect plan of easir premiums, well scattered risks and long experience in estimating hazards, that the interests of all concerned are protected. The Company receives from almost unnumerable sources, and in small sums, a large annual deposite. From this fund, held as a public trust, losses are gold. To secure for the public and the Company a permanent ability to meet every fair demand, all erroneous or fraudt lett claims are of course rejected. This is the only plan of insurance which can long descree the public confidence, and the undersigned agent confidency devices his friends to accure themselves at his accore, upulses. his agency, against

FIRE.

PERILS OF NAVIGATION. The advantages of this contract need scarcely be unged upon wealthy men, or merch his for they rarely neglect it, and if they do, fires leave them other reso ces. It is especially valuable to laboring men, mee ics and others of moderate means—who perhaps. I title else than a home and its contents in the work These should never neglect to insure: a fre which may vant them at any hour, would leave them bomeless and with no capital but their labor, to begin again the stringle of its, and years of foil and watching must pass before they can regain what they have lost, if indeed it is ever done. So such, insurance is a duty. If the in-dividual is worth little, the expense is less; if he owns much property, still the expense is trifling, and by in-vesting a few dollars he is safe. If he is overtaken by mistortune, and his still and in ashes, he receives a recom-pense in a cash capital, equal to his loss, and may soon estore what is descrived

Dr. Guysort's Improved Extract of YELLOW DOCK AND SARSAPARILLA . The original and only genuine preparation for the permanent cure of Consumption and disease of the Lungs, when they are supposed to be offected by the free use of Morcu-ry, Iron, Quinne. Sec., Sec.

Let all who wish to purge the blood from impurities, and prepare the system to resist epidemics, resort to "Guysott's Extract of Yellow Dock and Sarsoparilla," which is proving itself an antidote for many of the most malignant diseases that flesh is heir to, and they will never be disappointed; for in this remedy the public faith has never wavered-never can waver; for it is founded on experience, just as their want of faith in other and spurious compounds is founded on experience .-They fly from mineral nontrums to seek hope, life and vigor from this purely regetable remedy, however broken down in bealth and spirits-however loathsome to himself and others, let no one despair of recovery; let the patient only understand that his hope of physical restaration lies only in "Guysott's Extract of Yellow Dock and Sarsaparilla," and persuade him, for his life's sake. to try it, and we have no hesitation in predicting has speedy restoration to health.

The Shaker prepared "Yellow Dock," and the "Red Ionduras Sarsaparilla," are the invaluable remedial agents from which Dr. Guyaott's Improved Extract of Yellow Dock and Sarsaparilla is formed, and the Laboratury of Dr. Guysott has given us the virtues of these note in their perfection. His preparation contains al the restorative properties of the roots, combined and uncentrated in their atmost strength and efficacy. Experiments were made in the manufacture of this nedicine until it was found that it could not be further

Accordingly, we find it resorted to almost universally cases of Hepatic, Scarbutic and cutaneous complainte, for general prostration of all the vital powers, and all those tormenting diseases of the skin, so trying the paience and so injuri us to health.

The following case of Benajah Ungless is one of the most saturishing on record. After forty years sickness, two years exerutisting torture, the amountation of one leg, and the body and limbs almost a mass of eating, putrifying, discharging afters, to be smed by eight bottles of Guysut's Extract of Yellow Dock and Sarsapacilla, is almost mirrorlous. READ THE CERTIFICATE.

Taliapoosa Co., Ala., Jan. 2, 1853.

Dr Gugrott—Dear Sir: I send you this to certify to you that your Extract of Yellow Dock and Sarsapardia has performed one of the most wonderful cores on me that has ever been effected on man. that has ever been effected on man.

I have been utilisted for forty years with usuptions on my legs and feet; in 1848 thay got so had that I had to go on crutches, and in 1848 I had one leg-ampulated above the knee. In about 9 months after, my other leg broke out in large eating and running sores, from my knee to my host, and discharged a great deal of offensive matter. My group also broke out in large fulca, which discharged much off-naive matter, and at the same time my left hand broke out in large running sores nearly to my effect.

my elbew.

The pasery that I have suffered for the last two years I can not describe to you. I was in such agony-that I. The misery time I have since of for the last two years I can not describe to you. I was in such agony that I never rested day or night. I was given up to die, and by the help of God I had made preparation for death, and had peroted out to my family the place where to bury. In Cember last, my son brought me one of your bot-

In Cember last, my son brought me one of your hotde-wrappers. I read it, and found record of some wonderful corres performed by your "Extract of Yellow Dock
and Sarsaparilla. I sent and got two builes of it, and
commonced taking it. In two weeks, to my great asone sament, my seres all become casy, and I could sleep
if night, a thing t had not done for wo years. When
I had taken eix builes, my sores had nearly all healed,
ify sores got well estif by enchantment. I have now
used in all eight buttes of your "Extract of Yellow
Dock and Sarsaparilla," and now consider myself well,
I am at a less for torms to set forth the worth of the medseries, or to express my gratifude for what it has done me, or to express my gratitude for what it has done r me. I must call it the savior of man from misery while living upon earth.

I entreat all the afflicted to try this medicine, for I beieve it will cure any known disease in the world. Lay side all prejudice and just by it, and proclaim its great worth to suffering manaimi, and entreat them to take it,

for it will cure the .

My case is well known in a large portion of South Carolina, t. corgia and Alabama, and if any should doubt the above cure. I invite them to call on me, end I will show them the scars. I can be found in Talapoosa Co. Alabama, one wile from Stoe's Perry.
